

## The ACTHA speakers and topics 1986 to 1988

### 1986

- April - 'Microhabitat occupancy and bushfire survival strategies of reptiles in moist tall open forest in the ACT', Will Osborne
- May - 'Amphibians of Kakadu National Park', Ken Thomas
- July - 'Herpetofauna of Hong Kong', Michael Lau and 'Reptiles and frogs of the Northern Territory', John Wombey
- August - 'The Elapid Atlas of Australian Reptiles reaches completion', Ric Longmore
- October - 'The sea turtles of Bramble Bay', David Carter and 'Mallee reptiles and fire ecology at Round Hill', Judy Caughley

### 1987

- February - 'A herpetological survey at Yathong Nature Reserve', Klaus Henle
- March - 'The Warradjan - Australia's most unusual turtle', Arthur Georges
- April - 'Relocating crocodiles in the Northern Territory', Rob Jenkins
- May - 'Reptiles of Kakadu' John Wombey
- June - 'Breeding Blue-tongued Lizards', Paul Scanlan
- July - 'Chappell Island Tigers', Ross Bennett
- August - 'Rainforest reptiles', Mark Shuster
- September - 'The Nallabor reptiles and other wildlife', David Carter
- October - 'Reptiles of Western Australia', John Wombey
- December - 'Herpetofauna of Queensland', Ross Bennett

### 1988

- January - 'Herpetofauna of Thailand', Dean Ward
- February - 'Captive maintenance of reptiles', Ron Dencio
- April - 'Desert dwellings of lizards of the Namid', Paul Cooper
- May - 'Herpetofauna of South Australia', Steve Sarre
- June - 'Corroboree Frogs: their ecology and conservation', Will Osborne
- July - 'Colour confusion: variations within some species of reptiles', Ross Bennett
- August - 'Reptiles of the Bathurst region', Gavin Waters
- October - 'Frogs of the ACT', Will Osborne

## ACTHA Newsletters containing articles

- March 1986** - Jervis Bay herpetofauna survey, species record sheet and details
- April 1987** - Newspaper articles on Paul Scanlan's two headed blue-tongue lizard plus a two headed python in America
- 'Veterinary report on a children's python which swallowed a stone', by Honey Pyner
- 'The protection and keeping of animals in the ACT and Jervis Bay Territory', ACT Parks and Conservation Service pamphlet
- 'The cross breeding of a male diamond Python with a female Carpet Python (Brisbane variety)', RKA Newsletter
- A three legged red-eared turtle appears in New Zealand
- May 1987** - 'Rare anaconda gives birth at reptile park' and 'Snakes aggressive only if provoked' newspaper articles
- 'Keeping reptiles as pets' advice from NSW NPWS

1a.

- June 1987**
- 'Breeding of blue-tongue lizards', by Paul Scanlan
  - 'Reptile breeding: a justifiable goal?', RKA Journal
  - 'Note on captive breeding of the Taipan - Neville Burns', RKA Journal
- Aug 1987**
- 'A 12 year old boy has amazed naturalists and made Australian wildlife history by creating a new breed of lizard - blue-tongue x shingle-back' newspaper article  
(looks like a Blotched bluey to me! Editor)
- Dec 1987**
- Member Dean Ward proposes ACTHA conduct a survey to see if this lizard is extinct in the ACT
- Sept 1988**
- Members meet at Coppins Crossing to search for the endangered *Aprasia parapulchella*, 11 specimens found
  - Western Swamp tortoise at Perth Zoo, newspaper article
- Feb 1989**
- Excursion reports: 'Bathurst district to search for the rare earless dragon *Tympanocryptis lineata*' and 'Ginni Flats in Brindabella Range reptiles and amphibians'
  - Around town: Burton's Legless Lizard
- April 1989**
- ACTHA background notes/history
  - Member news
  - 'Weird weather has the north's nature on the hop', the platypus frog, Sydney Morning Herald Dec '88 article
  - 'Toadbusters aim to wipe out cane toads within 5 years in Brisbane', SMH article Mar '89
- May 1989**
- 'Shingle-backs, genetics & conservation, Steve Sarre, advertised speaker at Mtg
  - 'Australian Frogs', by Michael J Tyler, book review by Will Osborne
  - Fieldtrip to David Carter's study site at Deua, by Jo Vandermark
  - 'Turtles & tortoises: telling the difference workshop', Arthur Georges & team, held in April
  - List of inaugural members of ACTHA
- June 1989**
- 'Gharial, *Gavialis gangeticus*, fish eating crocodile' video, David Carter, advertised speaker at Mtg
  - 'There's a frog in my stomach' by Michael J Tyler, book review by David Carter
  - ACTHA field trips advertised: Rosedale, Ballaba, Deua, Behind the scenes at Australia Museum & Taronga Zoo
  - 'My trip to Araluen' by Andrew Hill
- Jul 1989**
- 'Crocodiles, fresh and salt water', David Carter, advertised speaker at Mtg
  - Historic ACTHA Meeting, 32 members at June Annual General Meeting for unanimous adoption of a constitution for the ACT Herpetological Association.
  - Dr Richard Barwick, public officer profile
  - ACTHA field trips advertised: Rosedale, Deua, Barren Grounds Bird Observatory, Jameroo (Ross Bennett leading)
  - Anna Nathan preparing sketch design for screen printing of *Physignathus leseurii* on T-shirts
  - 'Man on the rim: the peopling of the Pacific', member Alan Thorne presents an 11 part TV series
  - 'Australia's reptiles: a photographic reference to the terrestrial reptiles of Australia', by Stephen K. Wilson & David G. Knowles, book review by Ric Longmore
  - '*Hemiergis maccoyi*' article
  - 'QLD turtle research project' call for volunteer training

- Aug 1989**
- 'Dinosaurs: were they really the ultimate reptile?', Russell Moran, advertised speaker at Mtg
  - Notes on breeding *Morelia spilota spilota x variegata*, by Ron Dencio
  - Suggestion: ACTHA Cunningham Skink Survey, by Nick and Alan Thorne
  - Should ACTHA sponsor a reptile at Taronga Park Zoo
  - Field trip to Burrawarra Point, South Rosedale, 6-7 August '89, article by Tim Deveson
  - Funding for ACTHA Gippsland Water Dragon Project accepted by The Peter Rankin Trust Fund
  - Sydney field trip to the Australian Museum, Taronga Zoo & Eric Worrell's Australian Reptile Park, 7-9 July '89
  - 'Crocodile parachutes into a swimming pool and attacks children', UK newspaper article
  - Snowy River Croc nee the Water Dragon
- Sept 1989**
- 'Herpetofauna of Australia's Top End', Dr Robert (Hank) Jenkins, advertised speaker for Mtg
  - Ric Longmore, member profile
  - ACTHA has a new letterhead, Gippsland Water Dragon drawing by Frank Knight
  - The Schools' Science Fair, Charles Atkinson judges two herpetology entries
  - Orroral Valley ACTHA excursion, 27 Aug '89, by Norman Morrison
  - '6m, 113kg Python caught in Florida'
  - ACTHA Committee Mtg: newly constituted ACTHA to join The Australasian Assoc of Herpetological Societies
  - 'Frogs: Australian Junior Field Guides', by Eleanor Stodart, book review by Fiona Brand
  - Herp Techniques Short Course, NSW TAFE
  - Small-eyed Snake *Cryptophus nigrescens* 9 specimens found (6 by ACTHA) in the ACT: an unusual occurrence in this region.
  - ACTHA field trip to Moodong property (Captains Flat to Braidwood) on Sun 3 Sept '89
- Oct 1989**
- 'The Herpetofauna of Australia', Dr Harold Cogger, advertised speaker for Mtg
  - 'What is a Dinosaur?' (5 pages), by Russell Moran
  - Paul Scanlan, student member profile
  - Communal mating of Diamond Pythons, 5 day ACTHA field trip, article by Jo Vandermark
  - First World Congress of Herpetology, 11-19 Sept '89, UK, Ric Longmore, David Carter and Arthur Georges attend
  - Snake article plus Tiger Snake ACTHA field trip
  - members news
  - 3 ACTHA excursions advertised: 'Round Hill Nature Reserve', 'Goanna trekking in Deua', 'Frog finding'
  - 'Care of Australian Reptiles in Captivity', by John Weigel, book review by Paul Scanlan and Gerry Hill
  - 'The Bearded Dragon', newspaper article based on interview with Jo Vandermark
- Nov 1989**
- 'Snakes of the ACT', Ric Longmore, advertised speaker for Mtg
  - Round Hill Nature Reserve, NSW, ACTHA field trip, 21-22 Oct '89, by Norm Morrison
  - List of herp books due out in 1990
  - 'Graeme Gow's Complete Guide to Australian Snakes', book review by Ric Longmore
  - ACTHA field trip to Deua to observe goannas
  - Fox predation of Canberra turtles
  - 'Boy swallows pet slider turtle which is removed alive after 2 days', UK newspaper article
  - Four CCAE (UC) students complete undergraduate projects on reptiles
  - Herp poems, student members
  - 'Two-headed Shingle-back Lizard', newspaper article

- Dec 1989**
- Christmas Party Mtg
  - David Carter, member profile
  - 'First International Symposium on Varanids', Bonn West Germany, 20 - 22 Sept 1989, article by David Carter
  - 'A new herping technique: environmentally friendly binoculars', by Gerry Hill
  - 'Australian Reptiles and Frogs' by Raymond T. Hoser, book review by Alan Thorne
  - A review of 'The Herpetological Techniques Course' at Sydney TAFE, by Ken Thomas
  - Frog field excursion on lower slopes of Mount Ainslie, Mon 4 Dec led by John Wombey, article by Mandy Conway
  - ACTHA tee shirt design (goanna)
- Feb 1990**
- 'The Natural History of the Gippsland Water Dragon', Peter Harlow, advertised speaker for Mtg
  - Gerry Hill, member profile
  - Strange encounter between a *Delma inornata* and a Kestrel, by Kerryn Holleley
  - Hello frog! ACTHA excursion to Mt Ginini Flats area to look for the Corroboree Frog, led by Will Osborne, article by Jenny Morrison
  - 'Herpetofauna' publication profile, by Ric Longmore
  - Herping Around Australia, by Warwick Smith
  - 'Super frogs spawn a crisis: Goliath frogs weighing up to 6.8kg enrage other entrants of the annual Frog Jump Jubilee', USA newspaper article
  - 'Watch your step', 'It's a bad snake season', 'Snake bites predicted on Australia day', newspaper articles
- March 1990**
- Frog Workshop at the ANU: 'Australia's disappearing frogs', Mike Tyler advertised speaker for Mtg
  - 'The Corroboree Frog: A high mountain specialist', notes based on an article for Australian Natural History magazine, by Will Osborne
  - Dominic Pook and Josh Dorrrough, member profiles
  - A failed and reformed reptile keeper from way back, by Gerry Hill
  - Captive Breeding of Gippsland Water Dragons, by James Fitzgerald
  - Tale of a python at Guerilla Bay, by Alan Thorne
  - 'There's a frog in my throat/stomach' by Michael Tyler, book review by David Carter
  - 'Australian Frogs' by Michael Tyler, book review by Will Osborne
- April 1990**
- 'The Fierce Snake: *Parademansia microlepidota* or *Oxyuranus microlepidota*?' John Wombey, advertised speaker for Mtg
  - Exciting new locality record for the ACT: James Fitzgerald finds the Nobby Dragon near the lower Molonglo sewerage works, by Ric Longmore
  - Great response to the Frog Workshop with 176 people attending, Mike Tyler, guest speaker
  - Colour and Pattern in Australian Pythons, by Nick and Alan Thorne
  - Report on the Herpetological Techniques Course at Sydney TAFE, by Debbie Gawin
  - 'Gungahlin external transport system', ACTHA excursion to investigate
  - Reptiles of round Hill Nature Reserve, Central NSW, by Leonie Andrews
  - 'Crocs rule by heat of moment: suggestion that global warming could affect the gender balance of croc, turtle and other eggs', newspaper article

- May 1990**
- 'Australian Fossil Fishes and the Origins of the Amphibia', Dr Richard Barwick, advertised speaker for Mtg
  - 'Declining amphibian populations: a global phenomenon? An Australian perspective' (12 pages), by Michael Tyler, Uni of Adelaide
  - Charles Atkinson, member profile
  - Two goanna species in the ACT region: ACT P&CS want dead animals and photos of live ones
  - Report on ACTHA beginners excursion near Hall on 8 Apr '90, by Leon Horsnell
  - ACTHA excursions to view proposed freeway routes through Gungahlin, and a Brindabella search for Corroboree Frogs
- June 1990**
- New BBC film 'Enter the Dragons', introduced by David Carter
  - Alan Thorne, member profile
  - Turtle Safari in the NT, May '90, Arthur Georges
  - ACTHA Committee meet with ACT P&CS to discuss how best to work together to further the cause of reptiles and amphibians in the ACT
  - The breeding of pythons in the ACT, by Ron Dencio
  - '*Aprasia parapulchella* range extension, one found on Burra Road', and 'Good sized *Drysdalia rhodogaster*', both articles by Jo Vandermark
  - 'What else were we to do?' a Red-bellied Black Snake bite on a bushwalk far from help, by Reg Alder
- July 1990**
- 'Atlas of ACT Reptiles', Mark Lintermans and Liz Dovey will instruct ACTHA members on how to formally record field notebooks so that they can contribute to official records
  - 'Chappel Island Tiger Snakes', Ross Bennett, advertised speaker for July Mtg, newspaper article and some notes included
  - Mike Thompson, student member profile
  - Mon Repos Turtle Research Program, by Paul Cheeseman, Jan '90
  - Call for interest in volunteer training for Mon Repos, QLD NP&WS
  - Reminiscences of a herpetologist, by Ric Longmore
  - Winter herping at Burra, by Mieke Van Den Bergh
  - Student and member news
  - 'The European Adder, *Adder-vipera berus*', UK, by C. Atkinson
  - 'Frogs spell danger for earth' newspaper article on a trend biologists say appears linked to the planet's deteriorating environment
  - Peter Rankin Trust Fund for Herpetology: call for applications, the Australia Museum
  - New members kit
- Aug 1990**
- 'Reptiles of the Rainforest', Jeanette Covacevich, Senior Curator (Vertebrates) QLD Museum, advertised speaker for Mtg
  - David Carter and family move to Uluru
  - ACTHA field trip: 'Survey of Pink-tailed Legless Lizard on Mt Taylor' on Sun 12 Aug '90, will be led by Will Osborne
  - 'The Biology and Evolution of Australian Lizards' by Allen E. Greer, book review by John Wombey
  - 'Characterizing Banjo Frog Burrows', by Don Driscoll, 3rd year research project at Melb Uni Burra Survey Project: initial call for ACTHA members to conduct a herp survey of a 500 acre property at Burra over a period of 2 years. Article includes all the survey details Di Weaver and Will Osborne, member profiles and student news
  - Crossword, turtle theme
  - ACT P&CS outlines permit requirements under the 1980 Nature Conservation Act Status of Australian Herpetofauna under CITES, by Hank Jenkins

- Sept 1990**
- 'Great mysteries of the north: Does the Northern Long-neck Turtle lay its eggs underwater?' Rod Kennett, advertised speaker for Mtg
  - The first of an historical series of articles on Australian herpetology. Gerard Krefft 1830 - 1881
  - 'What does it take to make your turtle smile?', by Mike Palmer-Allen
  - ACTHA member Aprasia survey on Mt Taylor, 12 Aug '90, article by Gerry Hill
  - 'Rainforest Reptiles', Jeanette Covacevich, speaker at Aug '90 Mtg
  - ACTHA Burra Survey Project attended by 25 members, Sun 2 Sept '90
  - Farewell Ron Dencio, longstanding member relocating to Perth Zoo
  - Turtle Crossword answers
  - ACT Schools Science Fair at Woden Plaza, Thur 9 Aug '90, article by Charles Atkinson
  - Newspaper article on the worldwide disappearance of frogs, article based on an interview with Dr Mike Tyler
  - Crossword, Elapid theme
- Oct 1990**
- Photographing reptiles, John Wombey and Hank Jenkins, advertised speakers at Mtg
  - Notes on the identification of lizards occurring in the Burra district of NSW, by John Wombey
  - ACTHA Burra Survey Project and several other excursion details
  - Massive mortality of Long-necked Turtles *Chelodina longicollis*, at Lake Mokoan NE Vic, Feb '90, a census in Aug revealed 341 live and emaciated, and 300 dead
  - The Australian Society of Herpetologists Inc (ASH) AGM 21-23 Sept, Gemini Downs SA, Steve Sarre won the Student presentation prize, article by Ric Longmore
  - Historic Herpetologists: Edgar R. Waite 1866 - 1928
  - 'Taronga Zoo's two Reticulated Pythons moved into a new enclosure', newspaper article
  - Some facts on sea turtles, by Paul Cheeseman
- Nov 1990**
- 'Reptiles of the Simpson Desert', Harold Ehmann, advertised speaker at Mtg
  - Reptiles in the Home Paddock Project, more discoveries by ACTHA members, Oct '90
  - 'Frogs in the ACT region', Will Osborne's presentation at the Oct '90 Mtg
  - ACTHA frog night excursion Mon 22 Oct '90 led by Will Osborne, article by Charles Atkinson
  - Historic Herpetologists: Ludwig Glauert 1879 - 1963
  - Miles Yeates, student profile
  - Introduction to the geology of Canberra, article by Monica Yeung
  - 'Peter Mirtschin's snake venom plant near Tanunda SA', newspaper article
  - 'The Fire Salamander', newspaper article
- Dec 1990**
- 'Field Guide to the Snakes and Lizards of NSW', Gerry Swan, advertised speaker to talk about his book and local herps
  - 'Saving the Leatherback Turtle', article from Unesco Courier, Nov '90
  - ACTHA excursion to research site near Coppin's Crossing to find Cunninghams tagged twenty years ago, Dr Richard Barwick, Sun 9 Dec '09
  - Keen herpetologist: Extract from Erwin Koch-Emmery's Autobiography
  - First campout at Burra for Reptiles in the Home Paddock ACTHA survey, 30 Nov '09
  - Fauna survey of birds and mammals of a narrow stretch of land running north from Coffs Harbour to Grafton, NSW, by John Wombey
  - Historic Herpetologists: Francis J. Mitchell 1929 - 1970
  - 'WA Herpetologists Seek Help'. Petition to liberalise legislation and current practices for amateurs sought (Ron Dencio still awaiting permission to move his pythons from the ACT to Perth despite working at the Perth Zoo Reptile Facility)
  - James Fitzgerald and his Perentie, several Canberra Times newspaper articles
  - Student ACTHA member Miles Yeates is an ACT BHP Science Award finalist

- March 1991**
- 'The Herpetofauna of Gungahlin', Kruno Kukolic, Senior Wildlife Ecologist ACTP&CS, advertised speaker at Mtg
  - 'One year after our frog workshop', Mike Tyler reports
  - Artists Hilary and her brother Martin Boscott, Brisbane, turn their backyard into a mass of Kermit's or Green Tree Frogs to help the decline - 500,000 frogs later
  - ACTHA AGM with a public workshop on frogs
  - Monica Yeung, member profile
  - ACTHA goods for sale, T-shirts, books
  - Four ACTHA field trips advertised: Coff's, Burra, Gungahlin, Vertebrate Atlas
  - 'Leaf Tail' by Narelle Oliver, book review by Di Weaver and Paul Cheeseman
- April 1991**
- 'Snakes of South-East Australia', John Weigel, book review by Gerry Hill
  - Letter from Uluru, David Carter's trip in Feb '91
  - 'Royal Melbourne Zoo House', article by Chris B. Banks, Curator, Herpetology and Education Animals
  - 'Notes on the geology of the Googong Hill area', ACTHA's Burra Project, by Gavin Young
  - ACTHA Burra field trip, 'Reptiles in the Home Paddock project' 7 April '91
  - The 1990/1991 turtle season at Mon Repos Turtle Reserve QLD, by Leonie Andrews
  - 'Dragon ourselves away was the hardest part!' Alan Manning's field trip to Coffs Harbour with Jo Vandermark and Mike Tyler in tow
- May 1991**
- 'Living in sea water - why do turtles cry?', Dr Paul Cooper, advertised speaker at Mtg
  - 'A snake, a thing of beauty and a joy of nature', newspaper article and write-up on 'Snakes Alive!: an essential part of Australia's heritage', a public workshop held on Mon 22 Apr '91 at UC as part of Heritage Week. Presented by Ric Shine. 500 - 600 people attend
  - A bite by the East Congo Burrowing Asp, by Tim Deveson
  - Crossword from SA Herp Group
- June 1991**
- 'Counting the calories: energetics and metabolism of tropical carnivorous lizards', Dr Bryan Green, CSIRO Div of Wildlife and Ecology, advertised speaker for Mtg
  - 'Why do sea turtles cry?', by Paul Cooper
  - Solution to May's crossword
  - Conservation Council and ACTHA, by Jo Vandermark and David Pfanner
  - Stephen Sarre, member profile
- July 1991**
- 'Everything you wanted to know about frogs but were too repulsed to ask!', Prof Mike Tyler, advertised speaker at Mtg
  - 'Where have all the frogs gone?', by Mike Tyler, Uni of Adelaide
  - 'Oldest known reptile found in Scotland', newspaper clipping
  - (150 ACTHA members at this time and no one contributing articles)
  - 'Psst! Where can a reptile find a rattler?', CityRail's eight-car Zoo Train pulls into Sydney suburbs during the holidays, newspaper clipping
  - ACTHA field trip: learn how to use your ACT Vertebrate Atlas Kit
  - 'Proposed freeways linking Gungahlin with Civic: consequences of our current ignorance', call for ACTHA to get involved with the Vertebrate Atlas
  - 'Our fauna's homes burn for ours', newspaper article on serious problems faced by wildlife as a result of increasing use of wood fires in Canberra

- Aug 1991**
- 'The Rainforest or Southern Angle-headed Dragon (*Hypsilurus spinipes*)', Alan Manning, advertised speaker at Mtg
  - Cross reference to changes of Genus in Australian Agamids
  - 'Coming of age on the Great Barrier Reef: The Loggerhead Turtle', by Dr Colin Limpus
  - Mon Repos Turtle Research Project, call for volunteers, QLD NPWS
  - 'Ant-hill Pythons (*Bothrochilus perthensis*)', by Raymond Hoser
  - The Vertebrate Atlas of the ACT, 27 July '91 at the Pinnacles Reserve, Hawker, article by Norman Morrison
  - 'Did you know that in NSW frogs are not classified as fauna?', by Sally Stephens  
(of interest: need a permit to keep Corroboree frogs)
  - Komodo Dragons, by Fiona MacDonald-Brand
  - Crossword, dragon-lizard theme
  - Peter Rankin Trust Fund for Herpetology: call for applications
  - Big mama: Blotched Blue-tongue Lizard and the O'Connells, photo
- Sept 1991**
- 'Reptile Research at Canberra Universities: turtles, water dragons and legless lizards', Fiona Beynon, Simon Conroy, Sandie Jones, advertised speakers at Mtg
  - A Perentie in Canberra, by James Fitzgerald
  - ACTHA field trip to Burra: 2 new frog species plus the Stone Gecko (*Diplodactylus vittatus*)
  - For the second year, ACTHA awards prizes for outstanding contributions with a herpetological theme in the Schools' Science Fair (no secondary school entry and no entry from our own 50 primary and secondary school members)
  - Meet our tertiary students
  - 'Spring Environment Tours' by Canberra and SE region Environment Centre and the Conservation Council
- Oct 1991**
- Meet our tertiary students
  - Profile - John Wombey (parts missing)
  - ACTHA field trips
- Nov 1991**
- 'Kinghorn Centennial Lecture', Dr Hal Cogger, advertised speaker for Mtg, notes by Gerry Hill, Ross Bennett and Will Osborne
  - ACTHA field trip on 1 Nov '91 to Round Hill Nature Reserve, Euabalong, Central NSW, with Hal Cogger, article by Simon Cunningham
  - ACTHA frog night, Fri 25 Oct '91, led by John Wombey
  - 'Leeton and Environs: A Rich but Neglected Natural History', by Richard Langdale-Smith includes amphibian and reptile sightings
  - 'American snake collector fined for trying to mail three 2m Aussie pythons from WA home', he was fined A\$10,000 (US\$7,800)
  - List of prices pythons are sold for in the United States, by Raymond Hoser (1981-1991, 3 pages)
- Dec 1991**
- Protecting ACT grassland and reserve areas, appeal to Government
  - 'Rediscovery of the Lined Earless Dragon (*Tympanocryptis lineata*) in the ACT', by Kruno Kukolic and Will Osborne
  - 'Australian Snakes, a Natural History', by Richard Shine, book review by Ric Longmore
  - 'Some like it hot - turtle egg incubation temperatures', by Arthur Georges
  - Vietnamese herps, 'A preliminary list of reptiles and amphibia in Nam Cat Tien Forest Reserve, by Nguyen Quoc Thang, Zoobotanical Park, Ho Chi Minh City, 1988
  - 'The evolution of sex-role reversal in the Hip-Pocket Frog: A field research project sponsored by Earthwatch', by Dr Michael Mahony
  - A female Perentie called Julie arrives in Canberra on 21 Nov '91 as a mate for Wayne, by James Fitzgerald
  - NSW TAFE Herpetological Techniques Course

- Feb - March 1992**
- Mon Repos Turtle Research Centre, Bundaberg QLD, by Jo Vandermark and other ACTHA members who went on the trip as volunteers
  - Nobbi Dragon sighting request, includes description of animal
  - Meet our tertiary students, and members news
- April - May 1992**
- 'Problems in the biology and evolution of Australian snakes', Dr Allen Greer, advertised speaker for Apr Mtg
  - 'Lizard Diversity in Central Australian Deserts', Dr Craig James, CSIRO, advertised speaker for May Mtg
  - ACTHA AGM, President's report
  - 'Mallee Reptiles in Yookamurra Sanctuary, South Australia', Canberra students take a trip, article by Warwick Smith
  - 'Male Komodo dragon takes up new home in Taronga Park Zoo', 9 Jan '92, by Dierk Von Behrens
  - 'The Biology and Evolution of Australian Lizards', by Allen E. Greer, book review by John Wombey
  - Various member stories, poems, member profiles
  - Natural History of the Arafura Filesnake (*Acrochordus arufuræ*), by Darryl Houston, Uni of Sydney
- June - July 1992**
- 'Parental Care in the Hip-pocket Frog', Mike Mahoney, Uni of Adelaide, advertised speaker for June Mtg
  - 'Dragons', John Wombey, advertised speaker for July Mtg
  - The herpy days of youth
  - 'In search of the world's oldest amphibians', by Gavin Young
  - 'The reproductive husbandry of pythons and boas', by Alan Thorne
  - ACTHA field trip to the Bredbo area, 9 May, by John Wombey
  - ACTHA field trip 'Reptiles in the home paddock' on Sun 21 June, by Stephen Sarre
- Aug - Sept 1992**
- Harold Ehmann, author of 'Encyclopedia of Australian Animals', advertised speaker Aug Mtg
  - 'Beautiful tadpoles - reproduction in frogs', Prof Michael Tyler, advertised speaker for Sept Mtg
  - 'Sex and the hip pocket frog', by Michael Mahony
  - 'Snakes of Australia - Dangerous and Harmless', Peter Mirtschin & Richard Davis, book review by Ric Longmore
  - Progress report on ACTHA's continuing research project at the Anderson's Burra property, 21 June
  - Meet our student members
  - 'The Natural and Cultural Significance of Mulligan's Flat, Gungahlin ACT', Joint Submission by six member organisations of the Conservation Council to Hon Rosemary Follett on 27 July 1992, by Dierk Von Behrens

  - ACTHA field trip on 23 May '92 to Mongarlowe NSW, by Paul Scanlan
- Oct - Nov 1992**
- 'Reptiles and frogs of the Snowy Mountains', advertised speaker for Oct Mtg
  - Australia Day Honours List: John Cann awarded, by Arthur Georges
  - 'Freshwater Tortoises of Australia', John Cann, advertised speaker for Nov Mtg
  - 'Encyclopaedia of Australian Animals: Frogs', Michael Tyler, book review by Will Osborne

- Oct - Nov 92  
cont'd
- Review of unusual aspects of Pyopodid behaviour and morphology, by Paul Scanlan
  - Historical Herpetologists: Dr Glen Milton Storr 1921 - 1990, by Brad Maryan
  - ACTHA members take a field trip on 26 Sept '92 to the Hume Industrial Estate ACT to search for reptiles. (*Earless Dragons found in numbers*)
  - ACTHA trip on 29 Aug '92 to Warri Bridge Reserve in Braidwood, by Simon Cunningham
  - ACTHA camping trip over Labour Day Long Weekend in the vicinity of Wanna Wanna Road (off Captains Flat Road), by Paul Scanlan
  - Frog call species list: 26 Sept '92 at Narrabundah and Symonston, ACT
  - 'Frog species in NSW thought to be in decline or at risk', article by the Frog and Tadpole Study Group
- Feb - Mar 1993**
- 'Agamids - are they really the most primitive lizards?', Dr Geoff Witten, RMIT, advertised speaker at Feb Mtg
  - Hazards of herpetology, Will Osborne's accident
  - 'From extinction to distinction; the amazing story of the rediscovery of the Adelaide Blue-tongue Lizard (*T. adelaidensis*)', Dr Mark Hutchinson, SA Museum, speaker at Mar Mtg
  - Action plans for threatened Australian reptiles (Dr Hal Cogger) and amphibians (Dr Mike Tyler), article by Sally Stephens
  - Bandy Bandy (*Vermicella annulata*) found in Queanbeyan
  - 'One or two lessons in the keeping of baby snakes', by Doug Lloyd, Mugga Lane Zoo, ACT
  - 'A North Coast Python for new year, a wildlife rescue' and 'Excursion to Mimosa Rocks National Park, Nov 1992', articles by Gavin Young
  - 'Expedition to the Blue Mountains' and 'A jaunt across the south of Australia', articles by Paul Scanlan
  - Tarago field trip, by Cameron Trindall
  - Various member and student member news, Your Society Needs You!
- April - May 1993**
- 'The Herpetofauna of Uluru', Dr David Carter, advertised speaker at April Mtg
  - '*A. parapulchella*: How much do we know?' Sandie Jones, advertised speaker at May Mtg
  - Book review of Harold G. Cogger's 'Reptiles and Amphibians of Australia', by John Wombey
  - Herping in Hawaii, by Geordie Torr
  - Simpson Safari, by Jo Vandermark
  - Fauna trapped at Ethabuka Station Sw QLD, 1991-1993
  - Visit to Vince and Beth Ford's territory - Hwilu, article by Les Lockey
  - 'What is a species, when is it endangered and how does it affect the herpetologist?', article by Raymond Hoser
  - Report on Burra field trip, 21 Mar '93, by Stephen Sarre
- Feb - Mar 1996**
- ACTHA Frogwatch field trip to Mulligan's Flat, by Rick Zentelis
  - 'The turtles of Tortuguero', by Geordie Torr
- June - July 1996**
- The Natural History Centre (Shopfront & Library), Griffin Centre for COG, FNAC, (*ACTHA journals and newsletters kept here*)
  - ACTHA meetings to this date held at ANU, will now be held at UC
  - 'Tidbinbilla Red-bellied Black Snake adventure', 'Python camouflage',
  - 'Gordie the gator and friends', by Scott Gledhill
  - 'Slithers and croakers', by Lyn and Alan Scrymgeour
  - Central American trip, by Geordie Torr

- Aug 1998** - Meeting and diary dates
- Sept 2002** - The year ahead and ACTHA AGM
- Oct 2002** - 'Frog monitoring in the ACT', Murray Evans & Peter Ormay, Environment ACT, speakers at Sept Mtg  
 - Reptile jokes of the month  
 - Changes to Reptile Licensing Categories in the ACT, Environment ACT, Oct '02  
 - Frog Chytrid Fungus, [www.npws.nsw.gov.au](http://www.npws.nsw.gov.au)
- Nov 2002** - 'Snakebite - a herpetologists viewpoint', Ric Longmore, speaker at Oct Mtg  
 - Coming event: 13 to 19 Jan '03 Reptile display at ANBG (replaces ACTHA's Science festival display)
- Feb 2003** - 'The only good snake is a live snake' display at the ANBG 13 to 19 Jan '03, by Geoff Robertson  
 - 'UVB from thinning of atmospheric ozone may not be a factor in amphibian population declines', USGS Press Release Dec '02
- Apr - May 2003** - 'Slide show of Southern Tablelands' reptiles', John Wombey & Geoff Robertson, speakers at Feb Mtg
- July - Aug 2003** - 'ACTHA's future: does it have one?', by Geoff Robertson  
 - 'Green and Golden Bell Frog', Sam Patmore, speaker at May Mtg  
 - 'The Booroolong Frog', David Hunter ANU, speaker at June Mtg
- Sept - Oct 2003** - 'Fire audit presentation: Post fire impacts on natural systems' (fauna, endangered species, flora, ferals) Murray Evans, speaker at Aug Mtg  
 - Reptiles and frogs in Gooroo, ACT, by Geoff Robertson  
 - 'Reptile & frog keeping in the ACT for 1st time owners', Peter Child, speaker at MARK Aug Mtg
- Nov - Dec 2003** - 'Reptiles of the Ecuadorian Basin', Arthur Georges ANU, speaker at Sept Mtg  
 - The Black-headed Python, MARK Oct Mtg  
 - Snakebites, MARK Oct Mtg
- Jan - Feb 2004** - 'Behaviour of African Flat Lizards', Scott Keogh, speaker at Nov '03 Mtg  
 - 'First Tuatara eggs laid on Tiritiri Matangi Island', NZ, Dec '03  
 - 'Zoo's Savu Python successfully breeds', BBC News, Dec '03  
 - 'John Aglionby measures 7m python in Indonesia', Guardian article, Jan '04
- Mar - Apr 2004** - 'Tiger Snakes', Ross Bennett, speaker at MARK Nov '03 Mtg  
 - 'Fang fallacy', Bryan Grieg Fry, Aust Venom Research, Uni of Melbourne
- May - June 2004** - 'Hand in illegal reptiles', Dept Env & Heritage Media Release, Mar '04  
 - 'Impact of exotic pets fact sheet', Media release  
 - 'Antaresia Pythons', Chris Brown, speaker at Feb Mtg  
 - 'Re-introducing herps for conservation - does it work?', Dr Russell Burke, speaker at Mar Mtg  
 - 'Warm bloodedness leaves reptiles cold', Ian Fraser, speaker at Apr Mtg  
 - A discussion on brumation, by Chris Brown

- July - Aug 2004**
- 'Flinders Island spotted fever *Rickettsia honei* Tasmania', ABC Regional Online
  - 'Grassland Earless Dragon', Lyn Nelson, ACT P&CS, speaker at June Mtg
  - 'Lace monitors', Andy Wattam, speaker at MARK May Mtg
  - 'Basics of reptile husbandry information', Karen Guillen, MARK Dec '01
  - Wirrimbirra Sanctuary Reptile Day, Bargo, 1 Aug '04
- Sept - Oct 2004**
- 'Origin & diversification of Elapid Snakes', Scott Keough, speaker at July Mtg
  - Black Tiger Snakes of Franklin Island, by Ric Longmore
  - 'Scientists working for pittance to save Corroboree Frogs' (Gerry Marantelli) by Rosslyn Beeby, Canberra Times Aug '04
  - UK frog fatal Red Leg Disease, Sept '04
- Dec 2004**
- 'Gadgets, gimmicks and gizmos', Peter Child, speaker at Oct Mtg
  - ACT Frogwatch Program, presentation at Nov Mtg
- June - July 2005**
- 'Fauna survey of Turallo Nature Reserve', Bungendore, presentation at June Mtg
  - Reptiles and Salmonella - information article
  - German exploding toads - several articles
- Feb - Mar 2006**
- ACTHA's *Snakes Alive!* Exhibition 2006, at ANBG 16 - 22 January '06
- Apr - May 2006**
- 'Feeding reptiles', Jan Spate, speaker at Feb Mtg
  - 'A giant leap forward for the Spotted Tree Frog, 200 captive bred progeny released into Kosciuszko', Canberra Times newspaper article, Dec '05
- June - July 2006**
- ACT 2005 Frogwatch report, by Geoff Robertson
  - Pet snake health alert, by Mandy Conway
  - ACTHA at Tidbinbilla, 23 Apr '06, article by Margaret Ning
  - 'Some of Canberra's herps uncovered, part 1', John Wombey, speaker at Apr Mtg, article by Mandy Conway
- Aug - Sep 2006**
- 'Chondro ecology - (mis)adventures and discoveries in the rainforest', David Wilson, ANU, speaker at June Mtg, article by Mandy Conway
  - 'Some of Canberra's herps uncovered, part 2', John Wombey, speaker at Apr Mtg, article by Mandy Conway
  - 'Specimen collection and preserving techniques for scientific purposes', John Wombey, speaker at Apr Mtg, article by Mandy Conway
  - 'Hero's snakebite miracle', NT News, June '06
- Oct - Nov 2006**
- 'The McAuliffe family's trip to Cape York', Jo McAuliffe, speaker at Aug Mtg, article by Margaret Ning
  - 'Undiagnosed deaths in crocodiles in the Northern Territory', NT News, Sept '06
- Dec '06 - Jan '07**
- ACTHA display at the CSIRO Bio-diversity Centre, Sun 30 Oct and Tues 1 Nov '06, entertaining email account
  - 'Wildlife Forensics and Trade monitoring in the Northern Long-necked Turtle', Erica Alacs, speaker at Oct Mtg, article by Margaret Ning
  - 'Corroboree Frogs at Tidbinbilla', ACTHA members go for a behind the scenes look at the breeding facility, article by Geoff Robertson
  - A Grassland Earless Dragon field trip, by Joe McAuliffe

- Feb - Mar 2007**
- OPMV alert for snake keepers, by Ric Longmore
  - CSIRO Sustainable Eco-facility tour at Crace, Nrth Canberra, tour by John Wombey at Dec '06 Mtg, article by Mandy Conway
  - ACTHA's *Snakes Alive!* Exhibition 2007, at the ANBG 15 - 21 January '07, including events below, articles by Mandy Conway
  - Gary Clark opens Exhibition, Swamp Cartoonist, Canberra Times newspaper article, Jan '07
  - Three presentations given during the Exhibition:
    - 'Water Dragons, sex determination and climate change', Sean Doody, UC
    - 'Water for a healthy country - the Murray', Dr Sarah Ryan, CSIRO
    - 'Challenges for the freshwater reptiles of the Murray-Darling Basin and challenges for us', Prof Arthur Georges, ANU
  - 'Captive bred and nearly extinct: Spotted Tree Frogs survive their first year since release into Kosciuszko National Park', news release from NSW DEC
- Apr - May 2007**
- Tour of bearded dragon breeding facility at the University of Canberra, led by Jacqui Richardson at Feb Mtg, article by Mandy Conway
  - 'Evolution of sex determination in reptiles (especially dragons)', Alex Quinn, UC, 2nd speaker at Feb Mtg, article by Mandy Conway
  - 'Mr Toad comes to Darwin: an evolutionary perspective on the cane toad invasion', Prof Rick Shine, Uni of Sydney, article by Margaret Ning
  - 'Imparting ACTHA's message: ACTHA's display at Hawker Primary School', article by Margaret Ning
  - 'Salmonella Kingabwa infections and lizard contact in US', author Anthony Yartel, Centre for Disease Control and Prevention, Georgia USA
- Jun - Jul 2007**
- ACTHA display at the Tidbinbilla Extravaganza, Sun 15 Apr '07, by Mandy Conway
  - 'Cane toad hitchhikers', NSW NPWS news release
  - 'Cane toad killer in the shape of a worm', Herald Sun newspaper article, May '07
  - 'Broad-shelled Turtles in the Riverland - rare, threatened or not?', Deborah Bower, UC, speaker at Apr Mtg
  - Reptile and Amphibian Expo, Sydney 4-6 May '07, visit to Gosford Reptile Park, and Care of Australian Reptile and Amphibian (CARA) Conference, 5 May '07, by Joe and Jake McAuliffe and Mandy Conway
- Aug - Sept 2007**
- 'Questacon - exhibitions and kids', Robert Bunzli & Gerard Dwyer, speakers at June Mtg
  - 'The Pig-nose Turtle - building an enclosure and care in captivity', Peter Child, 2nd speaker June Mtg
  - 'The Smooth Knob-tailed Gecko. *Nephrurus laevissimus*, in captivity', and 'Keeping small elapids, with comments on a captive diet', Steve Comber, Melb Museum, talk at May '07 CARA Conference, article by Mandy Conway
  - 'Pink-tailed Worm-lizard is nominated as a vulnerable species', Friends of Grasslands newsletter extract, July - Aug '07
  - Reptile Policy in the ACT, by ACT Parks, Conservation & Lands
- Oct - Nov 2007**
- ACTHA exhibition at Questacon 4 - 5 Aug '07, by Margaret Ning
  - 'Herping in Madagascar', Geoff Kay, ANU, speaker at Aug Mtg
  - Limestone Plains Group, article by Isobel Crawford
  - Western Swamp Tortoise, background and Aug '07 population boost, article
  - 'Gorgona Blues: world's only pure blue lizard at risk of extinction', by MONGABAY.COM

- Dec '07 - Jan '08**
- *Snakes alive!* Exhibition 2008, advertisement and history of event
  - 'Small Grants for Herpetofauna Protection, Education, Training and Research Projects', Deb Bower UC, Rachelle McConville Frogwatch, Mitzy Pepper ANU, Geoff Kay ANU
  - 'Government pushing ahead Traveston Crossing Dam Plan. Mary River Turtle at risk', Sunshine Coast Daily Oct '07 newspaper article and Craig Latta, AFTCRA
  - ACTHA field trip to Rose/Rowe's Lagoon, NSW, article by Editor (MC)
- Feb - Mar 2008**
- ACTHA's AGM held in conjunction with Christmas party at Questacon on 18 Dec '07
  - ACTHA's *Snakes Alive!* Exhibition 2008, at ANBG 14 - 20 January 2008, including Exhibition event below, article by Editor (MC)
  - Australia's Northern Territory herpetofauna, a trip account by Joe McAuliffe
- Apr - May 2008**
- ACTHA holds a herp display at a Leukemia fund raising event, Hall Showground
  - 'Evolution of Geckos in the Pilbara, WA', Mitzy Pepper, ANU, speaker at Feb Mtg, article by Editor (MC)
  - ACTHA field trip to Nimmitabel, NSW, article by Mandy Conway, Margaret Ning and Joe McAuliffe
- June - July 2008**
- ACTHA display at Hawker Primary School Fete, Sun 6 Apr '08, by Jake McAuliffe
  - Northern Corroboree Frog Breeding success at Tidbinbilla, AC, article by Editor (MC)
  - 'Massive study of Madagascar wildlife leads to new conservation roadmap', Sciencedaily news release
  - ACTHA display at Tidbinbilla Extravaganza, Sun 13 Apr '08, by Margaret Ning
  - 'Shingle-back Lizard health alert', Dr Jan Spate, article by Editor (MC)
- Aug - Sept 2008**
- Applications called for Small Grants for Herpetofauna Protection, Education, Training and Research Projects
  - 'Reptiles and frogs of QLD Australia, Madagascar and Cameroon', Dr Conrad Hoskin, ANU, speaker at Apr Mtg, article by Editor (MC)
  - 'New family of gecko' and 'Saving frogs before it's too late', Sciencedaily news releases
  - 'Genetics, Conservation and Sth-W Western Australian Herpetofauna', Dan Edwards, ANU, speaker at June Mtg, article by Margaret Ning
  - ACTHA members photography segment, call for more
  - Reptiles at Australia Zoo, Beerwah QLD, by Editor (MC)
  - List of the 44 endangered reptiles in NSW, by NSW DECC
- Oct - Nov 2008**
- 'Collecting snails the safe way', by Mandy Conway
  - Living on 'Burrowed' Time, Dr Beth Mantle, ACT & Region Frogwatch Coordinator, speaker at Aug Mtg, article by Editor (MC)
  - 'Cane Toad can't stand the cold' and 'Female Bibron's Toadlet partners up to 8 males', Sciencedaily news releases
- Dec '08 - Jan '09**
- ACTHA AGM, Oct '08
  - ACTHA Display at Turner Primary School Fete, 8 Nov '08, by Margaret Ning
  - 'The Critically Endangered Fiji Crested Iguana', Suzanne Morrison, ANU, speaker at Oct '08 Mtg, article by Editor (MC)
  - 'New species of Iguana has been found in the Fijian Archipelago', by Paddy Ryan
  - 'Rare Geckos Discovered', Perth now journal
  - 'Seafood eating Flatback Turtles closely related to herbivorous Green Sea Turtles', Sciencedaily news release
